All in all, we were very pleased with our results and felt that the team made huge strides from how we fared last year. Facts and figures aside, the event was amazing in every way conceivable, all of the players on our team played so well, and we had an absolutely amazing fun time.

Team Ottawa, you guys ROCK!

* By the tie-breaker rules of total holes won, Ottawa got 4th place over Pittsburgh B, despite losing the match to them head-head. With this good fortune we were in the bronze medal match against St. Thomas.
